THE ANTHILL IS A MAGAZINE SHOW IN WHICH EACH NIGHT A FAMOUS GUEST IS INVITED TO SPEND SOME TIME WITH BOTH ANTS, TRANCAS AND BARRANCAS, AND TO PLAY AROUND WITH THE SCIENTIST.

The Ant Hill is a family groundbreaking show. Next to the main host, Trancas and Barrancas are the stars of the show. They are two irreverent ants that ask the question that no host would dare to ask and their odd humor represents the hallmark of the Anthill. Every day, a celebrity visits the show to keep the magic running, to be interviewed by the host and above all to have fun with our science, the brutal art and many other innovative sections.
